BODY SCRUBS

Body scrubs, favored by our clients, became the constant part of our offer. Scrub consistency causes gentle friction that exfoliate old epidermis and leaves young and vital skin. Besides, our body scrubs are produced by **ORGANIQUE COSMETICS COMPANY**- world pioneer in natural cosmetology that guarantee high-quality natural ingredients and relaxes senses thanks to aromatherapy. We invite you to try various fragrances of salt and sugar body scrubs. PRICE: 50 PLN for 30 minutes.

Coffee body scrub has caffeine effective ingredient, that speeds up cell metabolism and detoxication processes. The molecules of ebony give slimming effect by reducing fluids captured in tissues; teophylline and teobromine regulates the neurotransmitters that energize mind and improves concentration. It's excellent choice for people who want anticellulite effects in order to keep slim body during fat burning treatment.

Chocolate body scrub - consist of: cocoa butter which is known for complete biointegrality with human skin; extract of cacao - tree that slim and firm silhouette and gives anticellulite effect. Abundance of nutrients: magnesium, potassium, calcium, iron and antioxidants extract

from Echinacea perfectly stimulates immune system. Besides, this product has substances that gives the skin tanned colour. It's great choice for people with rough and dry skin, who want to have slim and healthy body.

Body scrub with lychee and goat milk is appreciated since ancient times. It's fulfilled with deficit micro and macronutrients, fatty acids that smoothes, greases and rejuvenates the skin. Thanks to antioxidants from lychee and aloe extract this scrub works inflammatory and soothes the skin. It's the best choice for people with allergic, sensitive, dry skin that needs to be strengthened. It is suggested for women during pregnancy.

NEWS! For men and women we offer **VANILLA BODY SCRUB** (greases the skin and improves mood), **FOREST BODY SCRUB** (refreshes the skin and soothes senses); **SALT BODY SCRUB** with essential oils: rosy or lavender and the purest on earth Himalayan salt that has 84 macro and micronutrients, that cleans the body and relaxes the mind.
